TRAMPOLINE, TUMBLING AND KARATE

RE: Club Closure

23rd March 2020

Dear Parents and Athletes,

Please be advised that due to steps being proposed/taken by the NSW Government, the Miranda RSL Youth Committee has chosen to suspend operations at the Miranda RSL Youth Centre as of Monday 23/03/2020. All Trampoline and Karate activities will be closed for business. There will **not** be any activities conducted at an alternative venue.

The Youth Club Committee will be reassessing the situation, during what would usually be the school holidays, to determine if the second term can go ahead as usual. Second term would usually commence on Monday 27/04/2020, which is the first day of the second school term.

Any lessons already paid for, for the remainder of Term 1, will be held in credit.

These extraordinary times, which require extraordinary actions.

The safety of our athletes, coaches and the community, are our first priority, so this is why we are taking these measures.

Thank you for your understanding.
